

## **IMPORTANT NOTES FOR ROSH HASHANA & YOM KIPPUR BOOKINGS – PLEASE READ CAREFULLY**

Due to the complexity of having to allocate seats and wanting to give everyone as much opportunity to attend as possible, we ask that you carefully consider before sending a booking request.

Please do not book all services "just in case". Please carefully consider your own health, and your own tolerance to the length of time you can wear a mask before deciding which services are most appropriate for you.

If we become fully booked and you book in to more than 1 service, we reserve the right to cancel one of your bookings to allow another member, who has been unable to book, an opportunity to attend. This will particularly apply to Yom Kippur services.

As with Shabbat services, there will be no chance to congregate and greet your fellow members, so please request to attend the right services for you personally.

Please complete each booking request in the correct name - for example, one half of a couple completing a request for both people should be sure to include the actual names of those attending. This is important should the lists need to be shared with the NHS Test & Trace Service.

You are welcome to share these booking request links with any extended family who wish to attend with you over Yom Tov. Please ask them to complete the links themselves so that we have their contact details. However, in the case of oversubscription, priority will be given to Hale Shule members.

There is no Shofar on First Day Rosh Hashanah as it is Shabbat. For those unable to attend Shule services, we are planning to hold a public shofar blowing on the Sunday afternoon. Details will be confirmed.

Children under the age of 12 should not come to Shule. Children over 12 will be expected to stay in their seat for the duration of the service.

<b>Closing Date for Rosh Hashana bookings</b>	<b>MONDAY 7<sup>th</sup> September</b>
<b>Closing Date for Yom Kippur bookings</b>	<b>MONDAY 14<sup>th</sup> September</b>

Beyond these dates, we will start to allocate seats for all services and send out confirmation emails. We will then also consider the needs of non-members who may have requested a seat.

**So if you have not booked in before the closing date, we will not be able to guarantee you a seat.**
